Great networking opportunity with like-minded business owners.

Do you know the numbers of your business well enough to grow it? Do you know what you should be looking for?

To help you know your marketing stats and business growth numbers better, let the award winning team of Doug Mitchell and Monte Wyatt host a lunch and learn just for business owners like you.

Doug will show you how to conduct rapid market testing using the web. Monte will teach you 5 ways to grow your business; specific tactics and strategies you can implement today.

**Growing and managing your business is simple, although not easy—you must know your numbers!**
